MEMORANDUM FOR: Director of Security

THROUGH : Deputy Director, Science and Technology  
Director of PersonnelSUBJECT : Request for Provisional Clearance -  
[REDACTED]

25X1A

25X1A

1. The Office of Scientific Intelligence is initiating the processing of [REDACTED] for employment as an Intelligence Officer (Physical Science). [REDACTED] received his PhD. in Electrical Engineering from [REDACTED] in June 1963 and is now actively seeking employment. His background is of extreme interest to OSI and in an effort to obtain his services, it is necessary that he be employed immediately.

25X1A

25X9

2. It is therefore requested that [REDACTED] be allowed to enter on duty as soon as possible on a provisional basis. [REDACTED] will perform unclassified research under the direction of the General Sciences Division.
